

am very disturbed
that Sinclair
Broadcasting is
planning to run
prime time, a 90
minute anti-Kerry
"advertisement"
before the election
on their 62
television stations.

Hopefully you will
step up to the plate
and do something to
prevent this from
happening. This is
not fair and
balanced! I
recently saw "Up the
River," a 90 minute
documentary on
Kerry's experience
in Vietnam and his
courageous fight to
stop the Vietnam war
when he returned
home. This
documentary should
also be aired on
Sinclair
Broadcasting so that
viewers can see the
other side.

Please take action.
This is wrong!

Sincerely,

Emily Austin
